

## Social Media Intern - Bakery

**NEW!**

**Location** Atlanta, GA      **Paid** \$2,400 monthly  
**Start** November 2024      **Duration** 12 months

Join our dynamic team and help elevate our online presence by creating engaging content, managing social media platforms, and analyzing digital performance. You'll develop your skills in content creation, campaign execution, and audience engagement while contributing to our mission of baking excellence.

## IT Intern - Bakery

**NEW!**

**Location** Atlanta, GA      **Paid** \$2,400 monthly  
**Start** November 2024      **Duration** 12 months

Support our IT infrastructure by assisting in network management, troubleshooting hardware and software issues, and implementing new technologies. Gain hands-on experience in maintaining a robust IT environment that ensures smooth operations across our bakery facilities.

## Marketing Intern - Bakery

**NEW!**

**Location** Atlanta, GA      **Paid** \$2,400 monthly  
**Start** November 2024      **Duration** 12 months

Contribute to Epi Breads' marketing strategies by assisting in campaign development, market research, and brand promotion. Work closely with our marketing team to create and execute initiatives that drive brand awareness and customer engagement in the competitive bakery market.

## Why intern in Atlanta, Georgia?

Atlanta is often referred to as the "City in a Forest" because nearly 48% of the city is covered in trees. This makes Atlanta one of the most heavily forested urban areas in the U.S. The city is also known for its abundance of parks and outdoor spaces, which add to its reputation as a green and vibrant city.
